

VIII IEB WORKSHOPS ON PUBLIC ECONOMICS & POLITICAL ECONOMY

WORKSHOP ON ECONOMICS OF TAXATION & SOCIAL EXPENDITURE

Barcelona, June 4-5, 2019

This year's workshop will focus on challenges to the welfare state and their potential solutions. We invite submissions of theoretical and empirical papers on the evaluation of policies that affect the public sector either on the revenue or on the expenditure side. In particular, the workshop will focus around topics related to behavioural responses to taxation, mobility, the design of tax enforcement, tax harmonization, and social expenditure policies such as pensions, unemployment, and health, among others.

WORKSHOP ON POLITICAL ECONOMY

Barcelona, June 6-7, 2019

The recent economic crisis has posed important challenges to the political institutions and public finances of developed and developing countries. These challenges have motivated scholars to study both the political determinants and consequences of these recent events. The aim of this workshop is to bring together scholars studying topics like populism, polarization, corruption, political economy of migration, conflict, selection of politicians and the interaction between public finances and political institutions, among others. Both theoretical and empirical papers are welcome.
