

## WORKSHOP ON PUBLIC POLICIES: GENDER AND HEALTH

Barcelona, June 1-2, 2021

The Workshop on Public Policies: Gender and Health will take place in Barcelona on June 1 & 2, 2021. The workshop aims at exploring the interactions between gender and health issues.

See below a non-exhaustive list of topics of interest:

- Effects of policies on population health, with a special emphasis on women's health.
- Gender discrimination in health access and outcomes
- Abortion and reproductive health
- Gender gaps in health and related outcomes

We invite researchers working on these or on closely related topics to submit their manuscripts. We welcome the submission of theoretical and empirical papers, as well as those focusing only on gender or health, although priority will be given to work that contributes to both areas of the workshop. Two invited plenary sessions will complement the contributed sessions.

### Keynote speakers:

**Janet Currie**  
Princeton University

**Claudia Goldin**  
Harvard University

### Deadlines

Submission of papers: **April 21, 2021**

Acceptance of papers: **May 3, 2021**

### Registration and further information

Manuscripts must be submitted by email ([ieb.workshop@ub.edu](mailto:ieb.workshop@ub.edu)) in PDF format indicating in the subject the name of the workshop ('**Public Policies**').

The workshop will be ONLINE. However, if the Covid-19 situation allows it, we will switch to a mixed in-person/online workshop. We will inform the authors of accepted papers about the final format, in order to give enough time to plan the trip to Barcelona for those interested in attending in person. All those not able to attend in person will present online.

We take this opportunity to inform you that during the same week the IEB will be organizing two additional workshops: Political Economy (May 31- June 1), and Economics of Taxation (June 2-3).

Further information on the workshop will be available at the webpage of the workshop, which can be accessed through the IEB website: [www.ieb.ub.edu](http://www.ieb.ub.edu).
