

**Call for applications:**  
**RESEARCH ASSISTANT**

The successful candidate will work providing support on different research projects in the Urban Economics and Political Economy areas led by Professor Elisabet Viladecans-Marsal. The research assistant will work in close collaboration with the researchers of the group.

**Main responsibilities:**

- Search for available data on online sources of international as well as national organizations and download the datasets.
- Collecting and maintaining databases.
- Creating graphs, maps, and performing a variety of statistical and basic econometric analyses.

**Requirements and skills:**

- Experience and advanced knowledge of Stata.
- Knowledge of R, Python, or QGIS will also be positively assessed.
- Excellent written and oral communication skills in English.

**Qualifications:**

- BA in Economics, Statistics, Computer Science, or in another closely-related field.

**Conditions:**

- Period: January-February 2023 to June 2023 (with a possibility of 6-12 more months extension)
- 20h/week. Flexible work schedule when needed.

**How to apply:**

Please send your application package (CV and a short letter indicating why you would like to participate in the research project) to [ieb.calls@ub.edu](mailto:ieb.calls@ub.edu) with the Subject: *Research Assistant-your last name*. Please make sure that you refer to the required skills in your application, in particular to your data and Stata management abilities.

The deadline for submission of applications is November 15<sup>th</sup>, 2022 (Noon CET).
