

Chair of Energy Sustainability (IEB-UB)

Call for applications

PHD SCHOLARSHIP –ENERGY AND ENVIRONMENTAL ECONOMICS

We offer a **PhD Scholarship for 3 years** (with possible extension for one more year), starting during the 2023-2024 academic year. We are looking for students who aim at enrolling on the **PhD program in Economics (University of Barcelona)**. The candidates must have a Master in Economics completed by summer 2023 and apply to the PhD program in Economics, University of Barcelona (<http://www.ub.edu/school-economics/phd-in-economics/>).

The successful candidate will develop his/her research under the supervision of researchers belonging to the Chair of Energy Sustainability & IEB Research Programs (see fields of interest [here](#)). Successful candidate will have teaching duties in applied economics at undergraduate level within the department of Economics (area of Public Economics) of the Faculty of Economics and Business (UB).

The yearly gross amount of the stipend is **17.220€** (Salary comes with full social security benefits). The scholarship is funded by the Chair of Energy Sustainability. The scholarship also covers PhD tuition fees and travel grants for conferences.

Only complete applications will be considered. Candidates must:

1. Apply to PhD program in Economics (see requirements and documentation: <http://www.ub.edu/school-economics/phd-in-economics/>). **Deadline: 31th March 2023**
2. Send a statement of purpose to ieb.calls@ub.edu indicating in the title of the message 'PhD Scholarship - Energy and Environmental Economics' before the **31th March 2023**.
