Call for applications

PhD SCHOLARSHIPS – ENERGY AND ENVIRONMENTAL ECONOMICS 2025-2026

We offer two **PhD Scholarships for 3 years** (with possible extension for one more year), starting during the 2025-2026 academic year. We are looking for students who aim at enrolling on the **PhD program in Economics (University of Barcelona)**. The candidates must have a Master in Economics completed by summer 2025 and apply to the PhD program in Economics, University of Barcelona (<http://www.ub.edu/school-economics/phd-in-economics/>).

The successful candidate will develop his research under the supervision of researchers belonging to the Chair of Energy Sustainability & the IEB Research Programs (see fields of interest [here](#)). Successful candidate will have teaching duties in applied economics at undergraduate level within the department of Economics (area of Public Economics) of the Faculty of Economics and Business (UB).

The yearly gross amount of the stipend is around **18.000€** (Salary comes with full social security benefits).

The scholarships also cover PhD tuition fees and travel grants for conferences.

Only complete applications will be considered. Candidates must:

1. Apply to PhD program in Economics (see requirements and documentation: <http://www.ub.edu/school-economics/phd-in-economics/>). **Deadline: 15th March 2025.**
2. Send a statement of purpose to ieb.calls@ub.edu indicating in the title of the message 'PhDScholarships - Energy and Environmental Economics' before the **31th March 2025.**
